Rezoning Denied On SC-L.G. Road Area; Sunnyside Petition Given Hearing

Petition to rezone commercially property on the east side of Santa Clara-Los Gatos Road from the north line of Hamilton Avenue to a point 141.40 feet northerly of Rosemary Lane, was denied Wednesday by the County Planning Commission following close of the second public hearing. Petitioners Vincent Carbone, Peter J. and H. M. Parlato, represented by Attorney A. J. Ruffo, asked rezoning from an R-1:B-D zone to a C-2 zone. The property is all of Lots 1 through 7, 24 and 25 of Tract 390, Winchester Villa Tract.

Attorney Richard Morton represented residents of the area who opposed the rezoning, and submitted a petition to the commission which he said bore signatures of 85 percent of residents adjacent to the property concerned.

At close of the hearing, the commission stated it would take the matter under advisement. Later, however, after the commission hearings were completed, the board discussed the matter and ruled against rezoning the property. Denial of rezoning was based on commission's findings that the area was not of sufficient size to afford adequate off-street parking, that commercial zoning use would constitute a traffic hazard and that petitioners had not shown sufficient need for the rezoning.

In the discussion, commissioners declared that both Ruffo and Morton had made the best presentation of supporting and opposing arguments to be heard in the recent history of the planning commission.

SUNNYSIDE PETITION

Pro and con arguments were also heard on petition of E. R. Kennedy, 201 S. Winchester Rd., to reclassify property on the northwest and southwest corners of Santa Clara-Los Gatos Road, at Sunnyside and Catalpa Avenues, Kennedy, represented by Attorney L. D. Bohnett, asked rezoning from an R-1:B-D zone to a C-2 commercial zone on Lots 88, 89, 90 and 91 of Tract 592, and Lots 10 and 11 of Sunnyside Tract.

Twenty persons were present for this first of two public hearings on the petition, and the supporting and opposing sides were fairly evenly divided. A. P. Ward, 341 S. Winchester Road, submitted a petition bearing signatures of many residents in the El Caminito area opposing the petition on grounds that undesirable businesses might be established on the property which would depreciate surrounding property values.

Kennedy has stated that the Catalpa Avenue corner lots in question constitute a future site for the Rutherford Funeral Home, now at 101 N. Winchester Road. Rutherford seeks the new location in anticipation of purchase of his present location by the Campbell Union High School district for future expansion needs.

Final hearing of the petition will be conducted on Wednesday, December 21.

Commissioners approved application of Emsley F. Whistler for an adjustment in zoning provisions to extend the C-2 zone into an R-1 zone on property at the northeast corner of San Jose-Los Gatos Rd. at Fewtrell Drive. Whistler proposes to convert the present large residence into a duplex. Planners stipulated in the approving decision that Whistler must submit any future architectural changes to the commission for approval.

Petition of G. K. Schrader to reclassify property at the easterly corner of the intersection of San Jose-Los Gatos Road and Union Avenue was continued under advisement.

Adjustments In Zoning Asked By Rose E. Hanger

Mrs. Rose E. Hanger has made application to the Santa Clara County Planning Commission for adjustment in zoning ordinance provisions to permit extension of a C-1 zone into an R-1:B-D zone. The property in question is on the northerly corner of the intersection of San Jose-Los Gatos Road and N. Union Avenue. Mrs. Hanger, who resides at 565 S. San Jose-Los Gatos Road, said she asked the adjustment in order to have her entire corner acre under one zoning classification. Hearing on the matter will be conducted Wednesday, December 7, at 2 p.m. at the county courthouse. The adjustment is sought for possible future commercial development.

Nine Cadet Corps Members Receive Promotions

Promotion of nine student members of the Campbell Union High School's unit of the California Cadet Corps, Campbell, was announced today by Cadet Corps Headquarters at Sacramento.

Those promoted were:

Cadet Sgts. Ignacio Lopez and Leroy Smith and Cadet M/Sgt. Warren Thorp to be Cadet 2nd Lieutenants.

Cadet Cpls. Wayne Moles and Kenneth Wingarner to be Cadet 2nd Lieutenants.

Cadet Pfc. Harry Bowen and Cadet Pfc. Albert Hershbach to be Cadet 2nd Lieutenants.

Blood Donors Needed. Sign Up For December 14

Campbell residents have been signing up this past week to give blood when the Regional Blood Center mobile unit makes its visit here on Wednesday, December 14, from 10 a.m. to 2 p.m. at the Methodist Parish House.

Lodges and clubs are being asked to conduct signup drives among their membership, and the telephone committee is busy calling previous donors and asking them to give.

At least 75 donors are needed, Campbell Blood Program Chairman J. F. Levenberg has announced, in order to keep the community credit supply at sufficient standing to meet possible emergencies. "If you can and will give blood, please call Mrs. Ethan Lanphear, at Campbell 3655, or myself at Campbell 2555."

Mrs. Lanphear, Mrs. E. F. Ballot and Mrs. Mahon are handling the telephone work, and blood bank chairmen in nearly every local organization are urging their members to volunteer.

One little-known operation of the blood bank in Campbell has been the compilation of a list of blood donors, their addresses and blood types. Copies of this list are in the Campbell Water Company safe and at the valley regional blood center in San Jose. In the event of emergency, those lists can be checked to provide names of those with the blood type needed. The cross filing system will also permit aid to previous donors in event of serious injury, since records of their blood types may be obtained immediately and fellow donors with the correct blood type may be brought to their aid.

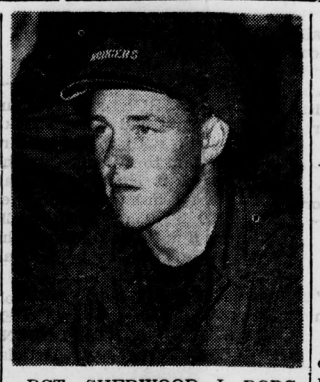
To those who have asked "Do they really need my blood? Does it hurt? Does it take long?" Experienced donors can answer that your blood is very much needed to enable seriously ill youngsters to recover, to give old people another chance, and to save the lives of accident and emergency victims. It doesn't hurt. It takes only an hour away from work.

Store Building Work To Begin

"Construction will begin immediately," Dr. W. R. Morgan, Campbell dentist, said today, stating contract has been awarded to Percy Da Mant, lowest bidder on his projected three-store building at the corner of Campbell Avenue and Fourth Street.

All three stores will front on Campbell Avenue. Total frontage will be 60 feet, with a depth of 70 feet along Fourth Street.

Announcement of future store occupants is expected to be made in the near future.



RCT. SHERWOOD J. RODGERS, 20, is the son of Mrs. Joseph T. Rogers, 1060 Lovell Avenue, Campbell, who has been chosen Mother of the Month at Fort Ord, to represent the San Jose Recruiting district. Mrs. Rodgers and Mrs. Nettie I. Emerson of Phoenix, Ariz., representing her state, are guests of Ford Ord this weekend. Rct. Rodgers started his first day of basic training at Fort Ord on November 7. Here he is shown listening to the instructor lecturing on interior guard duty.

Enrollment Data For 1951 Sought In School Plans

Figures on the projected enrollment in Campbell Elementary District schools are being compiled by Superintendent William C. Henley and his staff in preparation for requesting state funds under Chapter 1389, Statutes of 1949, as a result of passage of the school bond measure by the voters on November 8.

Henley said he will prepare projected enrollment figures for October 1951, and expects to ask the aid of Parent-Teacher Associations in gathering the necessary information. The figures will be based on the number of houses now under construction in the district and the number of houses to be constructed in the district within the next two years.

These figures are necessary to plan adequate school housing for the prospective enrollment, said Henley. Anyone planning to build a home or group of homes not now under construction, or anyone knowing of such plans is asked to notify the superintendent's office, phone Campbell 2938.

Pupils Vacation, Teachers Work

Campbell district school pupils will be on vacation all next week, while their teachers will be attending the annual fall Teachers' Institute November 21 and 22 at the San Jose Civic Auditorium. New officers of the Santa Clara County Teachers' Association will be elected at the opening session.

Roberts Station Burglarized Early This Morning

Roberts Union Service Station on San Jose-Los Gatos Road was reported to have been entered early this morning by burglars. Don Countryman, employe at the service station, said time of the entry was between 1:40 a.m. and 2:10 a.m. Entry was gained by breaking a window in the front door. Drawers had been opened and their contents strewn about the floor.

Owner Kenneth Roberts left early Thursday night on a hunting trip and is expected back tonight. He will take inventory to determine whether there has been any loss, and will confer on Saturday with Deputy Sheriffs assigned to the case.

Countryman said he was notified by Merchant Patrolman Rober Locke shortly before 3 o'clock this morning that the station had been broken into. Locke, who checks the station several times each night, said he had been there at 1:40 a.m. and found nothing. When he returned at 2:10 a.m., he discovered the burglary attempt.

Scout Troop 32 Looking For A Scoutmaster

Boy Scout Troop 32 of the Campbell Methodist Church needs a scoutmaster, someone willing to give a few hours per week to this active group of 20 boys, ages 12 to 15.

Harold V. Shumway, chairman of the troop committee, expressed concern over lack of a scoutmaster since the troop may be forced to disband if a leader is not found. Training is offered the scoutmaster is he hasn't had sufficient experience, or if he wishes to obtain further instruction.

Anyone wishing to volunteer, or anyone who knows of a man capable and willing to lead the troop is asked to contact Mr. Shumway at Campbell 3530. The troop committee will call on the prospective scoutmaster. This is a wonderful opportunity, said the chairman, for anyone who plans a future career in Boy Scout work.

The troop meets Monday evenings from 7 to 9 p.m. at the church, said Shumway, but the meeting date can be changed to suit the convenience of the scoutmaster.

Family Gatherings Predominant Theme For Thanksgiving Day Entertaining

Traditional family gatherings will be the theme of this year's Thanksgiving Day observance next Thursday, November 24, throughout the Campbell area.

At the home of Mr. and Mrs. Rudy Nelson, two large turkeys will be carved for Mr. and Mrs. Frank Steindorf, Mrs. Lena Steindorf, Mr. and Mrs. Mervin Nelson, Eldred, Warren and Mardel Nelson, Mr. and Mrs. Ray Steindorf, Mr. and Mrs. Elver Bohnett, Mr. and Mrs. Bernard Steindorf, Gary, Wayne and Everett Steindorf, Mr. and Mrs. Stanley Steindorf, Stanley Jr., Joan and Gordon Steindorf.

At the Oakland highway home of Mr. and Mrs. Merlin Bohnett, just north of Milpitas, guests from Campbell will be Mr. and Mrs. Howard Lillingston, Mrs. Jessie Lillingston, Mrs. Edna F. Smith, Mr. and Mrs. Clyde Baugh and daughter, Miss Nancy Lee Baugh from the University of California at Berkeley campus.

Mr. and Mrs. J. M. Dahl will join Mrs. Dahl's brother, Edwin Mitchell and family in Palo Alto on Thursday.

Guests of Mr. and Mrs. J. D. Cantoni and their sons, Ronald and Charles, will be Mrs. Cantoni's sister and family, Mr. and Mrs. Robert Yates and son Bob from Napa, and Mrs. Anna Yates and children from Vallejo.

Mr. and Mrs. William A. Burch and daughter, Susan, will go to San Francisco, to join Mrs. Burch's mother, Mrs. Alice Hendershott, for a family gathering at the latter's home.

Holiday guests from Southern California, the Peninsula and San Francisco will sup with Mr. and Mrs. D. H. Cramer. The Cramers' houseguests will be Mr. and Mrs. Arthur Leonard of San Diego and Miss Nellie Hames of Burlingame. The Cramer's son, Dr. D. H. Cramer, Mrs. Cramer and family from San Francisco will join them for dinner.

Repeating their custom of previous years, Mr. and Mrs. Laurance J. Hill will entertain Mr. and Mrs. Emmet Critchlow and family. The Critchlows will be their guests at the Campbell High School-Los Gatos High School Big Game on the 'Cats' field, after which the Thanksgiving dinner will be served at the Hills' home.

Mr. and Mrs. William C. Henley and children, Janis and Jerold, will be hosts at dinner to Mrs. Jean Winslow and children.

Mrs. Dorothea Glass will arrive Saturday from San Fernando to spend a week with her brother and sister-in-law, Mr. and Mrs. Stanley B. Smith. Besides Mrs. Glass, others who will gather around the Smith's dinner table on Thanksgiving Day will be Mr. and Mrs. Gordon Smith and family from Los Altos; Mr. and Mrs. Clark Kerr and family from Berkeley, Mr. and Mrs. Noel Voge from Berkeley, the Smith's daughter, Miss Lois Smith, who will arrive from the University of California campus at Davis with a friend from Guatemala, and the Smith's son, Loren Smith, who will bring a friend with him from San Francisco.

Stanford Booster Finds Windows Bear Bears

Big Game fever has been running high in Campbell this week, and rival Stanford-UC supporters are supporting their teams with more than words.

Pete Lico's Red & White Market on Campbell Avenue bore evidence of family rooter rivalry this morning, and Lico's own home became the scene for a pre-game forecast.

Lico found a life-size Stanford Indian dummy, completely attired in football garb, stretched out on his lawn this morning. The dummy lay beneath a printed epitaph which read "This Indian has been dead for a long time and will be buried Saturday at Palo Alto."

Thinking fondly of his cousin, Pete Felice, avid Cal supporter, Pete Lico set off for the market where he found further evidence of his cousin's admiration for the Bear league. Blue and white banners repeated the epitaph sentiments, and the windows bore new signs such as "Golden Bear Trust Co.," and an Indian head with the word "Ugh." Lico spent part of the morning removing such game feudin 'sentiments as "The Indian who owns this store died!! Oskie Blue and Gold will take over September 19th;" and "Bank on us for more buying Power. Come meet Celeri the new manager," and even "Bear Headquarters."

Lico said the friendly family feudin' over Cal and Stanford has been going on for 20 years. Years ago he was forced to eat hot peppers rather than admit Cal had the better team. Lico admitted with a chuckle that he had done some house decorating in support of Stanford, himself, in previous years.

Committee Heads To Be Appointed

Old Settlers Day chairman William C. Henley will present a tentative program, which he has prepared for the February 22 observance, to the Chamber of Commerce board of directors at their meeting Monday evening.

Henley said he will discuss the program with the directors, and expects to appoint committee heads for the annual celebration, immediately after the Monday meeting.

Students Propose Delinquency Solutions

Six letters from Campbell High School students, asking assistance or public opinion on such matters as a curfew for 'teen agers, a swimming pool for the youngsters, football field lights, and a recreation center for the community, were received this week by the Campbell Press.

The publishers feel that the best results can be obtained by publishing the letters in toto. Although the letters are obviously the result of some study group action, probably the sophomore English class, they do rate attention since the youngsters by writing these letters are taking active part in planning and shaping the future of the community. This in itself is a commendable step. School youngsters are too seldom leaders in affairs of the community. As future community leaders, they should take more active part.

In answer to their questions, the Press can make no definite statement at this time, other than to say that the school board of trustees is believed to be working on a plan which may be a pleasant surprise for these letter writers and their fellow pupils, and probably will meet, in general, their suggestions.

The letters follow.

Mr. Eugene Barnes
Editor, Campbell Press.
Dear Mr. Barnes:

For many years there has been a poor means of transportation to and around Campbell. True, there is always a taxicab one can call up, but if you were a teen-ager, I am sure that you would not even consider spending seventy-five cents for a taxi to go about a mile to Campbell.

I think that a busline that would go around the districts that surround Campbell would have a good business. The Peerless bus line has its stops on the main road only, and misses quite a few places. I am sure many people would appreciate it if you said something about such a bus line.

Yours Truly,
Manuel Macias.

The Campbell Press
IOOF Building,

Dear Mr. Barnes:

The problem of building a swimming pool interests us students of Campbell Union High School. A swimming pool would be a wonderful supplement to our gymnasium, and it could be opened to the community in the summer for a small price. Many Campbell residents would then have the opportunity to swim in a pool near their homes, instead of going to Los Gatos or San Jose. It would be convenient for small children to go swimming without their mothers' going along with them and perhaps leaving housework. Also, the children would see their school friends and their neighbors there, and not be among strangers. During the school term, the students would be developing their swimming abilities and life saving technique, which is very useful to know. Every person should be able to swim, not only for the pleasure and exercise it affords, but also for the coordination it develops and its usefulness.

Where, how, and with what are we going to build a swimming pool? With the support of the entire community, the swimming pool could be built: if the whole community would invest in an issue of bonds, the problem would be partly solved. But before they back our efforts for a pool, they have to know the advantages of having a pool. This is my main reason for writing to you: to bring to your attention the problem and to ask you if it could be brought to the community's attention. Perhaps you could print a portion of this letter in the Campbell Press. I have mentioned but a few of the advantages that a swimming pool would give the high school students of Campbell and the members of the community. If everyone started to think about it, he would soon see why the high school wants one; and he would consequently help to procure it.

Sincerely Yours,
(Miss) Gwen Elaine Robertson

Dear Mr. Barnes:

As a citizen and permanent resident of Campbell, I am interested in the welfare, well-being, and reputation of this community. In recent weeks I have noticed the increasing number of teen-agers loitering about the streets at night. In view of recently publicized incidents in other cities, I wonder it it would not be wise to establish a curfew in Campbell which might help to avoid such unhappy incidents here. I would like to have the opinions of other people on this topic. Perhaps they have an even better suggestion, if so, I would be interested in hearing about it.

I appreciate the time you have given to my request and feel sure that as a Campbell booster, you too, will be interested in any suggestions I might receive.

Very Truly Yours,
Janice de Reschke

Mr. Eugene Barnes, Editor,
Campbell Press,
Campbell, California
Dear Mr. Barnes:

Having discussed and thought about this problem I am bringing it to your attention. Campbell High School needs lights for the football field. If we had lights we could play night games here. It is costly to transport players, band, and rooters to other communities for games. The grammar school raised the money for lights in a short time. With the backing of the citizens of Campbell I am sure that we could raise the money for the lights. We could give a variety show, play or one of numerous other money raising acivities.

It is my sincere wish that this letter will prove worthy of your attention.

Yours Truly,
Virginia Nigl

Dear Mr. Barnes,

I am writing this letter in behalf of the teen-agers of Campbell Union High School.

In the sophomore English classes, we have been discussing the problem of community needs in Campbell. We have come to the conclusion that Campbell needs a recreation center. This center would be for all age groups, but different days should be allowed for the different groups.

I think that with a recreation center like this, juvenile delinquency would be greatly reduced. This would improve the environment of the teen-agers in Campbell, and a good environment is one of the most important factors in reducing delinquency.

We would appreciate it if you would express your opinion on this subject.

Sincerely yours.
Carolyn Fitzpatrick

Mr. Eugene Barnes
IOOF Building
Campbell, California.
Dear Mr. Barnes:

We have been having panel discussions in school. Some of our problems centered on juvenile delinquency and improvements of Campbell. Two solutions were offered, a swimming pool and a recreation center for teen-agers.

Just how many parents know where their children are and what they are doing at night? We, as teen-agers, think a recreation center with supervision would solve most of the problems of stopping rowdyism and keeping teen-agers off the streets at night.

The swimming pool, to be built at Campbell High School I believe, would also be of use to the younger children and adults, as well as teen-agers, to provide recreation and enjoyment, especially in the summer.

I sincerely hope that you will print my letter in the Campbell Press to show the parents of children as well as other people, what we teen-agers think would help stop juvenile delinquency and improve Campbell.

Very Truly Yours,
(Miss) Barbara Mann

Charity Show By BPOE At Civic Auditorium

Campbell Elks will participate in the big Elks Charity Show slated for Thursday and Friday, December 1 and 2, at the San Jose civic auditorium. Minstrels and a professional vaudeville revue have been programmed for the show which is under auspices of San Jose Lodge 522, BPOE.

Zola Hollinger, ice company representative in Campbell, has a part in the production, and others plan to either participate or attend. Reserved seats may be obtained through the Denny-Watrous office at the auditorium.

Plans Optometry Office Here

Dr. Robert Jasmine, optometrist, will establish offices in Campbell around the first of the year, following completion of the building on Fourth street just off Campbell Avenue which is owned by Frank Greco of Los Gatos.

Dr. Jasmine, a vision specialist, is a recent graduate of the Los Angeles College of Optometry. Dr. and Mrs. Jasmine and their daughter, Cassandra, 4, are now living in San Jose and plan to move to this community in the near future.

Katherine Fuller Awarded Music Scholarship

Miss Katharine Fuller of Campbell, daughter of Mr. and Mrs. Rex K. Fuller, has been given a scholarship by Phi Mu chapter of Mu Phi Epsilon, national honorary music sorority, at San Jose State college.

The chapter annually awards a scholarship to the most outstanding woman musician, based on work done in her freshman year. Miss Fuller received the award at the Founder's Day program held November 13, at which time she played the Ibert Concerto for Flute. Those chosen for the award need not be members of Mu Phi Epsilon.

The daughter of Mr. and Mrs. Rex K. Fuller of San Tomas road, Miss Fuller graduated from Campbell High school in 1948. She is a sophomore music major at San Jose State, and plans a professional and teaching career.

Miss Fuller recently joined Phi Mu chapter. Her mother, a singer, is a member of Mu Phi Epsilon Alumnae club in San Jose.

Yule Basket Fund Project For BPWC

An 18-inch bride doll with complete hand-made wardrobe will be given away at 8 p.m., December 17 at the T'nT Variety Store by the Campbell Business and Professional Women's Club. BPW members are making the clothing for the doll, as part of their project to raise funds for Christmas baskets for needy families. Tickets may be obtained from Mrs. Thelma Solari at the store.

Business and Professional Women will hold a dinner meeting Wednesday, November 30, at 6:30 p.m. in the Congregational Church. Miss Marilyn Kay and Mrs. Nina Clark are in charge of the program. Dr. James F. Dabney, San Jose dentist, will be guest speaker.

LET'S BROWSE

BURTON, ELIZABETH.
The Roaring Dove. 1948

An imaginary island named Trionia is the setting for this satirical novel about a new Utopia. The story concerns an Englishman who while engaged in a search for information about the island's patron saint, became involved in a revolution; eventually, along with the island's nicest people, he escaped to a more normal life.

We are reminded of BRAVE NEW WORLD and ANIMAL FARM, predecessors which were perhaps more forceful; however, ROARING DOVE is written with brisk well-aimed satire and is an entertaining narrative as well.

MOREHOUSE, WARD.
Matinee Tomorrow. 1949.

A completely fascinating chronicle of the American theater for the last fifty years from the time of "Floradora" to today's "Death of a Salesman." Vivid and colorful descriptions of Broadway and all the personalities that have been connected with it for the past half century add interest to the interpretation of the drama and its changes. The Barrymores, Mrs. Fiske, Maude Adams, Ziegfield and scores of others have their place in this account. Mr. Moorehouse, newspaperman and author, is best known as a New York dramatic critic.

STUART, JESSE.
The Thread that Runs So True. '49

This autobiography of a teacher is informative and entertaining; as the author is a poet and a novelist, he tells his story well. It describes his turbulent career that began in a one room country school in Kentucky where it was sometimes necessary to maintain discipline with his fists and continues through increasingly responsible positions until he retired from the profession after nearly 20 years because it didn't pay enough to permit him to marry. He concludes with a discussion of the plight of the teacher in today's economic structure.

Whist Party, District Meeting And Fiberglass Tour On Jaycee Calendar

Four members of the Campbell Junior Chamber of Commerce plan to attend the Fourth Junior Chamber District meeting and "Cliff Cooper Night" at Santa Cruz December 1. Cliff Cooper, national Jaycee president from San Francisco, will be the speaker at the stag dinner meeting. Those from the local unit will be Kenneth Roberts, president; Bill Halls, Dick Lazzarini and Joaquin Payne.

A full turnout of 30 members is expected on Wednesday, December 7, when the Campbell Jaycees will be guests of the Owens-Corning Fiberglass Corporation plant. The members will be served dinner at 7 p.m. in the plant cafeteria, and then will tour the Kifer Road plant. Marvin Draper, junior engineer and Jaycee member, has arranged the evening program.

At the Junior Chamber meeting Wednesday night at Re's Market, principal discussion centered on plans for a benefit whist party which the club will give Saturday, December 10, at 7:30 p.m. in the Campbell High School gymnasium. Proceeds will go toward the Jaycee Christmas project which will be the distribution of Christmas baskets to needy families in the Campbell area. Members of the board of directors will be in charge of the whist party.

Two new members were welcomed at the meeting—Hanley H. Murray, operator of Murray's Garage on Winchester Road, and George Moeller, employe of the Owens-Corning Fiberglass plant, who recently established his home on Milton Avenue.

LETTERS TO THE EDITOR

Opinions expressed in letters to this department do not necessarily reflect the editorial policy of the Campbell Press.—Ed.

Dear Editor:

This Committee wishes to express its appreciation of the opportunity afforded it through your columns to present, fairly and impartially, its evidence against the daylight saving law.

We believe you gave your readers and the general electorate all of the information on this highly controversial issue that was made available to you in the few weeks permitted by the unexpected certification of Proposition 12 to the ballot.

If, in any instance, there might arise criticism that stronger and more factual arguments against a daylight saving law in California should have been published, this committee will assume the responsibility, charging it in large part to the foreshortened time granted industry, agriculture and labor to assemble its economic data and proofs in opposition.

We wish our closing facilities permitted us to address you personally.

Very truly yours,
R. V. Garrod, state chairman,
Louis M. Hicks, state co-ordinator.

Now that the 1949 Grand National Livestock Exposition, Horse Show and Rodeo has concluded the most brilliant presentation in its history, I should like to express the deep appreciation of the Board of Directors of No. 1-A District Agricultural Association, Mr. Carl L. Garrison, general manager, and myself for the outstanding support given the show by your publication.

This great state-owned, and operated, non-profit educational project has risen to top rank among the livestock expositions of the nation. The support and assistance given it by the press and radio of the West have been a material factor in this achievement.

Cordially yours,
Fred Gray and Associates,
Public Relations Counsel.

High School Staff, Students Boost Service Fund

Campbell High School students and teachers contributed $43.54 toward the Community Service Fund during a collection held at assembly period yesterday morning.

District Superintendent Laurance J. Hill, also chairman of the Service Fund committee, said further contributions are expected from a number of large companies serving this area, and these amounts may carry the returns well up to the $7800 goal. PG&E and Standard Oil Company contributions have already been received.

Similar drives were conducted in grammar schools of the area on Thursday and Friday, but totals were not ready at press time.

The average patient stays in a modern hospital for seven days.

Bucs Face Strong Passing Attack By Cats In Traditional Big Game

By BOB POWELL and JIM McMURTRY

Campbell High's Buccaneers will meet Los Gatos High's Wildcats on the Los Gatos field Thursday, November 24 at 11 a.m. in the annual "Big Game" for the two schools. Over the season the Bucs have posted a 3-1 league record, whereas the 'Cats have a 1-4 league record.

Friday, November 18, on the Campbell home field, the Mountain View Eagles tangle with Campbell High. The Wildcats have a league bye the same day so their last league game is the traditional.

Paced by Halfback Del Ambler, Fullback Don Merrill and Quarterback Bob Pracna in the backfield, Center Harold Taylor and End Dud Herschback in the line, the Bucs boast a powerful unit.

Against Bellarmine Friday, November 11, Campbell showed much power, although losing to the Bells 25-19. On the other hand the 'Cats have a strong passing attack in the combination of quarterback Tom Snowdon to end Jim Wagner. Tackles Bill Viall and Dick Kuykendall have been outstanding among the linemen in previous Los Gatos skirmishes.

Every year these meetings have been highly exciting. Last year at Campbell the Buccaners came from behind to edge out the Wildcats by a final score of 21-19. This year the game has aspects of also being one of the top attractions of the year as traditionals always have a way of turning into thrillers.

Seal Sale Aids Advancement Of TB Research

How one scientific discovery ties in with another to forge a life-saving chain was brought out last week by Dr. John von Saltza, president-elect of Santa Clara County Tuberculosis Association, in an interview at the tuberculosis association headquarters.

Pointing out that the 54th anniversary of the discovery of the X-ray was observed this month, Dr. von Saltza said that this strange ray had been a priceless gift to man, aiding in the diagnosis of some diseases and in the treatment of others, and that it also had many commercial uses.

"One of the early uses to which this ray, discovered by William Conrad Roentgen on Nov. 8, 1885, was put," said Dr. von Saltza, "was in the diagnosis of tuberculosis. So powerful it could penetrate solid matter, this ray made possible the taking of pictures of the lungs. Thus, by means of chest X-ray films, tuberculosis can now be detected in an early stage, before outward symptoms appear when the disease is easiest to cure. Who knows how many lives have been saved from this one disease because of Roentgen's discovery?"

"Much of the important research in tuberculosis today," said the doctor, "is being sponsored by the National Tuberculosis Association and its 3000 affiliates, including the Santa Clara County Tuberculosis Association. Funds for the research program are derived from the annual sale of Christmas Seals which this year takes place from November 21 to Christmas."

Fruit Tree Offer Announced By D. B. Seale

Famed Stark Brothers Nursery, one of the largest in the world, is offering six fruit trees to the first person in this area who will set them out and show the trees when they bear. D. B. Seale, 23 Ashler Avenue, Los Gatos, authorized sales representative for the company, said the first applicant will be given the opportunity.

Those interested should contact him at the above address.

The 134-year-old company has its nurseries and orchards at Louisiana, Missouri.

Law Class Hears Attorney Walsh

Attorney Martin S. Walsh of Campbell addressed the commercial law class at the local high school on Thursday. He gave a resume of court procedure and various aspects of the law of contracts as it affects minors.

REP. RICHARD M. NIXON, WHITTIER—"The 81st Congress was a good Congress—not for what it did, but for what it didn't do."

Flashes From Campbell Campus

By DICK LAKE

Students are stacking the wood for their traditional bonfire rally at Campbell High School to be held Tuesday, November 22, at 7:30 p.m. in the school gym. The Big Game is slated for November 24 on the 'Cats field at 11 a.m. A rousing rally to support the Bucs is expected, with cheer leaders and the school band leading the show.

The Melodiers will handle the music for the Football Parade dance tonight from 9 to 12 in the gym. Pat Gilbert, social affairs commissioner, has named Barbara McBain, Ray Ames and Jerry Wagner to the refreshment, cloak room and floor committees. Art Commissioner Barbara Shockley has charge of the decorations, with assistance from Oliver Upton, art commission adviser.

Frank Triena led the 63-voice high school choir at assembly yesterday morning, and Orme Shockley, senior student, sang a solo.

Students were given an opportunity to add their donations to the Community Service Fund in a post-drive collection at assembly Thursday morning.

Methodist Women Busy Planning Old-Fashioned Bazaar for December 1

An old-fashioned bazaar, where dainty hand-made Christmas gifts will be sold, has been announced for Thursday, December 1 at 1:30 p.m. at the Methodist Church parish house by the women's groups of the church. There will be cooked foods, candies, children's clothing, cards and wrappings, objets d'art and a variety of items for all who attend.

Children may amuse themselves at the fish pond while their parents shop. There will be no need to hurry home to prepare dinner, for there will be quantities of good cooked foods to carry home.

Committees in charge of the various booths are: Silver Tea, Mrs. D. H. Cramer's circle, with Mrs. W. M. Lloyd, chairman; Aprons, Mrs. A. D. Rice, Mrs. D. A. Bechlen, Mrs. Zeno Hallett and Mrs. E. F. Ballot; miscellaneous, Mrs. R. Golden, Mrs. W. H. Young and Mrs. H. I. Johnson; Country Store, Mrs. Joe Keesling and Mrs. R. L. Root; White Elephant, Mrs. Rose Hanger and Mrs. Fred Fellman; Cooked Food and Candy, Mrs. Herman Rice and Mrs. Louis Brandon; Children's Clothes, Mrs. Nelson Cowdery; Cards and wrappings, Mrs. Earl Buck; Wishing Well and Fish Pond, Women's Service Club.

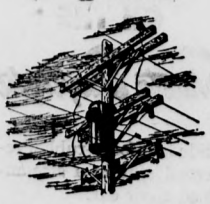
She sewed a dress for ½ cent's worth of electricity

One of the many reasons why it's good to live in California is the high standard of electrical living. Californians buy and use many electrical servants without stint because the electricity to run them costs so little. For example, the electricity to operate a sewing machine to sew up a dress costs only half a penny—that is less than the price of the thread used. Your electricity bargain is hard to beat.

For the handy man and his hobby and repair shop, small electric motors help do a better job at less monthly cost than the price of a bottle of liniment. A lot-sized hedge, for instance, can be trimmed electrically for about 50 cents a year.

Behind the wall plug where you get the electricity to run a sewing machine, radio or clock, is a vast electric system of 72 power plants, scores of substations, 49,900 miles of transmission and distribution lines and almost 17,000 employees.

For the record



The poles, transformers and wires in your community are pieces of local property. They are taxed just like your own house and lot. In your city and county, P. G. and E. is one of the largest taxpayers contributing to local schools and government.

P.G. and E. Service—does so much... costs so little

WE SALUTE . . .
Our Newsboys

The eager-faced lad who stands on the corner in all kinds of weather selling newspapers is, in every sense of the word, an American businessman. He is a self-starter. He is up bright and early and on the job late at night. Nobody backs him with capital or confidence. He supplies all this himself . . . and banks solely on his own alertness and salesmanship. Your newsboy may deliver your newspaper to your door. If so, he is even a more astute businessman, for he not only throws his papers at countless front porches, but doubles back regularly to make collections. Yes, the newsboy is an American institution. Keep up the good work, youngster. We're *all* behind you!

Kirkwood In Sacramento To Discuss Effect of Election On School Legislation

The effect of the passage of Propositions 2 and 3 on school legislation will be weighed today at Sacramento at a meeting of the Assembly Interim Committee on Public Education. Assemblyman Robert C. Kirkwood of Saratoga is heading to Sacramento for this committee hearing and for informal meetings with educators, and has a meeting with Governor Warren scheduled Wendesday to discuss this and other problems which may require a special session of the Legislature.

Kirkwood says he feels a special session is needed to thrash out a number of problems. In fact, he suggests that if the cost would not be excessive, two special sessions might be held. The first, which should require no more than one day and which should be held soon, would act on at least three things which are emergencies requiring appropriations to increase current fiscal year budgets:

1. To provide funds to the counties to meet responsibilities returned to them with passage of Proposition 2. Santa Clara County had the foresight to provide for this contingency, but not all counties were in a position to make such provision.

2. To provide funds to those school districts which cannot, due to excessive growth, maintain an adequate program to the end of this year. This problem was left unsolved when the school bill, A. B. 2120, was shelved at the end of the last session because of a lack of funds brought on by the McClain pension plan.

3. To provide funds to District Attorney Shea and the Grand Jury of Sacramento County to make a thorough-going investigation of illegal lobbying. Such an investigation has been called for by Governor Warren and the Assembly Interim committee on Government Efficiency and Economy. A similar grant was made by the state in connection with the Philbrick report.

The foregoing items should be dealt with at once because they affect operations in the current fiscal year.

Vets, Galliettes Slate Barn Dance At Napredak

Vets and Galliettes will hold a barn dance Saturday night at Nepredak Hall, Lawrence Road, Cupertino, with Dude Martin and his Roundup Gang providing the music. The public is invited to the 9 p.m. to 1 a.m. "49'ers Roundup." Tickets may be purchased at the door.

Rudy Novakovich and Ernest Popovich are co-chairmen of the dance. Mary Bogdanovich is handling the publicity.

Baritone Arthur Kent Brilliant In Lully and Secchi Selections

By J. B. JAMISON

The second of the Community Concert Association's evenings was held in Los Gatos High School Auditorium November 11, before another capacity audience. Arthur Kent, Metropolitan Opera baritone, was featured, with Archie Black, piano accompanist.

Mr. Kent, a handsome lad, replete with presence, confidence, and gestures, owns a top-drawer voice, richly solidly brilliant in fortissimos, and a penchant for pianissimos, sometimes truer in timbre than pitch. He also is equipped with many tonal colorings from which he chooses well to fit the various moods of his songs. Towards the middle of the program Mr. Kent got very kood; so good that one forgot him entirely and was lost in the music.

The opening number, the familiar exhortation from the "Marriage of Figaro" is marked on my program "S.O.S." (same old stuff) but no one could say that of the movingly beautiful "Love Me or Not" by Secchi, which followed. The noble simplicity of this Handle-Vivaldi manner reaches back to a better day.

It is strange how after all these years of hearing the "Evening Star", the old magic persists. With no more help than a black curtain and a piano it comes across as well as though with all the paraphernalia of opera. Wagner could say more with rests than most men can with notes.

The Brahms songs were typical, yet different, while from the first note the florid eloquence of Richard Straus' "Cacilie" could have been written by no one else. But the song I liked, the famous "Bois epais" of Lully's, went back to the style of the Secchi piece. There is something about that period and that manner particularly suited to song.

Mr. Black played three pieces by Faure, Poulenc and Brahms. Everything Faure wrote is interesting. It is a pity he is not heard more. The "Mountain Tune" encore is a clever thing and was well played.

The balance of the program consisted of shorter songs—old favorites, and some new—and very good—American works. More than the music, however, were Tennyson's words. I wonder if there have been any poets since then. The superb and thrilling "Hangman" song by Enders finished the program.

As an encore, in a burst of generous condescension, Mr. Kent was unfortunate enough to employ a synthetic drivel with tuneless tune from "Kiss Me Kate," a current Broadway success. It was as though one bit into a piece of particularly rancid cheese, after a delicious dinner. But then, this is 1949, the aftermath of seventeen years of throwing overboard the verities, and they say "Kiss Me Kate" is a smash hit.

Arthur Spittler Funeral Services

Arthur P. Spittler, father of Lucille Ziegler of Cupertino, died Thursday, November 3, in San Jose at the age of 65. He was a native of Kansas City, Kansas, and a member of the Order of Railroad Conductors.

Mr. Spittler was the husband of Josephine Spittler, and the father of Mildred Ziegler of San Francisco, Lucille Ziegler of Cupertino and Bob Spittler of San Francisco. He was the brother of Grant Cochran of Santa Maria.

Funeral services were held November 5 in San Jose. Interment was at Oak Hill Memorial Park.

Whist Party

A benefit whist party will be sponsored Friday, November 18, at 8 p.m. by the Auxiliary of VFW Post 9803, Veterans of Foreign Wars, in the Cupertino IOOF hall.

Refreshments will be served and a special program has been planned. The public is invited to attend. Score cards may be obtained at the door.

Insurance Needs For Homeowners Told Rotarians

William H. Bates, representing the Metropolitan Department of Phoenix-London Insurance Group in San Francisco, spoke on the necessity for home owners to hold comprehensive liability insurance to protect their homes at the Campbell Rotary Club meeting Monday noon in the IOOF Hall.

Bates, who was introduced by L. W. Harmon of the Campbell Realty Company, said there are two major factors which may wipe out a home. The first is loss by fire, and the second, a judgment against a homeowner for injury or accident to another person on his property. While nearly all home owners carry fire insurance, said Bates, most of them do not carry sufficient comprehensive liability insurance.

Lack of this second type of insurance could mean loss of home and belongings, Bates pointed out. Any home owner is liable to be sued. Average judgment on such suits in the Los Angeles area last year was $11,000, the speaker continued.

Personal property is another factor which home owners neglect. Most people don't realize how much insurable material there is in a home. In one three-bedroom home in San Mateo which was recently surveyed, a $17,000 replacement value was estimated on total furnishings and personal property, not including the house.

In conclusion, Bates described a recent change in insurance company attitudes. In the years immediately after the war, companies were too busy increasing amounts on existing policies to seek new business. Recently, however, due to inflated values, the companies are again seeking new policies.

During the meeting Rotarians adopted a resolution opposing dedecision of the recent Rotary International convention to delete the word "Profits" from the Rotary motto. In a letter to be sent to the Rotary International board, the Campbell club will point out that the motto, "Service Above Self—He Profits Most Who Serves Best," has been the theme of service for Rotarians for 40 years, and that "Profits" has only recently been misinterpreted as having a purely prosaic commercial meaning.

Catherine Garbini Dies In Gilroy

Mrs. Catherine Garbini, 54, mother of Arthur Garbini and Mrs. Geneva Stone of Cupertino, died in Gilroy November 7. A native of Sesti Godano, Province La Spezie, Italy, she was the wife of Fred Garbini Sr. of San Martin. Funeral services were held Thursday in Gilroy, followed by interment at St. Mary's cemetery.

Mrs. Garbini was the mother of Fred Garbini Jr., San Francisco; Pete Garbini of Fort Bragg; Sam Garbini, San Francisco; Mrs. Dina Silacci, Gilroy; Arthur Garbini and Mrs. Geneva Stone, Cupertino. She was the sister of Giobatta Godani, Gilroy; Stephen Godani of San Francisco; Carlos, Giovanni and Paolo Godani, Italy; and grandmother of Peggy Stone and Mary Garbini, Cupertino; Stephen and Robert Silacci of Gilroy.

Nature Craft Demonstrated To San Tomas PTA

David Villasenor, author of a recently published book on nature printing, demonstrated the art of making something from nothing to the San Tomas School Parent-Teacher Association at their November meeting Tuesday night.

Mr. Villasenor was director of craft work at Boy and Girl Scout camps in southern California for ten year and also taught occupational therapy in the U.S. Army. He demonstrated bark carving, nature printing, sand painting, and wood carving and driftwood art. Almost ayone can develop abilities in creative art, he said, by being observant, patient, using one's imagination and utilizing everything available pertaining to nature.

During the PTA business meeting, conducted by Mrs. Ray Martin, a report was given on drapes to be made for the teachers' room, by Mrs. Ellis Rother. This is one of the unit's projects for the year.

Mrs. Donovan and Mrs. Ken Wilson were appointed to represent the PTA on the recreation committee of the San Tomas area.

Refreshments were served during the social gatherings at the close of the meeting.

Home Economics Club Making Aprons, Towels

Orchard City Home Economics club held its October meeting November 11 at the home of Mae M. Walsh, who was hostess for the occasion.

Present at the meeting were the Mesdames Leone Keesling, Lavina Grattan, Charlotte Sutter, Katherine Shadle, Nellie Skillman, Alice Reynolds, Margaret Parr, Florence Friday, Malissa Smith, Anna Sawyer, Anna Dolfin, Clara Baldwin, Florence Wisler, Beulah Emery, Miss Ruby Crow and Mae M. Walsh, chairman.

It was announced that the Santa Clara County Pomona HEC would meet November 30 in the IOOF hall, San Jose, and that a potluck luncheon would be held at 12:30 p.m. All members were urged to attend.

Leone Keesling reported on material purchased for making aprons and tea towels and all members were given an allotment to complete by the first of the year.

The next meeting will be held at the home of Willie Windrum, December 9, at 1751 Lexington street, Santa Clara, at which time election of officers will be held.

Sunday Races At SJ Speedway

Hard Top auto races make their second daytime appearance at the San Jose Speedway this Sunday afternoon at 2:15.

The California Stock Car Racing Association says that at least fifty of its drivers will be on hand for the nine-event program.

Races will consist of a 25-lap main event, a 15-lap semi-main, a consolation race, a final heat, a trophy dash, and four heats.

William A. Page Joins Ames Research Staff

William Allen Page of 334 N. Winchester Road, Campbell, has joined the staff of Ames Aeronautical Laboratory at Moffett Field, the government research establishment reported today.

Mr. Page is a graduate of the University of California, class of '48, and received his master's degree in mechanical engineering at Berkeley this year. As an aeronautical research scientist, he will participate in the intensive scientific studies of transonic and supersonic flight which the National Advisory Committee for Aeronautics is conducting at its three research centers—Ames Laboratory, Langley Aeronautical Laboratory in Virginia, and Lewis Flight Propulsion Laboratory in Ohio.

Mumps Tally Down For Campbell

Five cases of mumps were listed for Campbell in the weekly communicable disease report issued for the week ending November 12 by the County Health Department. Other mumps cases in the county were: Los Gatos 1, Palo Alto 5, and San Jose Rural 1. Total cases for the week in the county was 12, compared to 22 for the previous week. Twelve cases were reported in Campbell for the week previous.

Pupils Request 855 New Testaments During Gideon Visit To High School

Eight hundred and fifty-five students at Campbell Union High School voluntarily asked for copies of the New Testament when the Gideon Camp of San Jose placed a supply of them in the school library this month. Jack Hutchins, one of the Gideon representatives, said the New Testaments were placed on a table in the school library. An announcement was made in the classes that any student would be given a copy if he wished it.

Six Gideon men from San Jose took turns standing at the table from 8 a.m. to 3 p.m., and students asked for the Testaments as they entered the library for their study periods.

The Gideons, who have for years placed Bibles in hotels, motels and penal institutions, are an interdenominational group of Christian businessmen. Organized 50 years ago, the Gideons have their headquarters in Chicago.

During the war nine and one-half million copies of the New Testament were placed in the hands of service men and women, through the Gideons.

A new program of making copies available to school children was begun after the war. Funds for the New Testaments are provided through the Protestant Churches, and are placed by the Gideons in hands of students from the fifth grade through high school. Last year in the Campbell Grammar School district, the San Jose Gideon camp gave out 913 copies—Campbell Grammar School 675; Moorpark Elementary School, 143, and San Tomas Elementary School, 95.

Pupils need only ask for their copies during the distribution hours," said Hutchins. "They are not asked to sign anything or make any payment or donation. We ask only that they read it. We don't want anyone to take a copy if he doesn't want it."

Representatives who handed out the New Testaments in the high school were Hutchins, John Stewart, Frank Massingill, Harry Beegle, George Ferguson and Ernest Quist, some of the 50 members of the San Jose camp which serves the area up to Palo Alto and south to King City. The men take time away from their work during weekdays, and from leisure time on Sundays to go all over the area distributing the Testaments. Each pays dues and his own expenses.

COMBAT DELINQUENCY

"We believe that our program of distributing the New Testaments to the school children is helpful in combating juvenile delinquency" Hutchins explained. "The records show that 85 percent of the children in California never attend Sunday school or church. If we can interest them in God's Word, they may voluntarily attend the churches or Sunday schools. We don't tell them what church to attend. It is our hope that they will voluntarily attend the church of their choice."

Gideons have placed 10,000 copies in Vallejo schools, and 30,000 in Oakland since the war. After distribution of the New Testaments are made in an area, Hutchins explained, "we find an increase in the number of children attending Sunday School and and church. We believe the program will help to make these youngsters better citizens of tomorrow and better leaders of tomorrow."

Christmas Fete For Children At Civic Auditorium

Red letter day on the social calendar for many groups of children throughout the valley is the International Christmas Festival to be held in the Montgomery Theater of the Civic Auditorium, San Jose, Saturday, November 26 at 2 p.m.

This has been a popular annual event during the past eight years and is eagerly anticipated by moppets because of its outstanding programs and remembrances from Santa Claus.

The movement was founded by Bertha Marguerite Rice during the troubled war years. Mrs. Rice still sponsors the plan which has received an added impetus this year through the active cooperation of the Jr. Chamber of Commerce Auxiliary, fifty energetic young women who have voluntarily assumed the task of filling 500 stockings for the Christmas party. Fruit, candy, nuts, gifts and a greeting card go in to each red stocking and Santa Claus, who has promised to be on hand, will need their assistance in distributing the same.

Children of many nationalities and groups have received special invitations to the affair and 360 reservations for youngsters have been made to date.

Present plans include the attendance of 500 children, 60 of them participating in the program. The remaining tickets have been placed on sale at the YWCA and at Sherman-Clay's in San Jose.

The program will include a medley of Christmas carols by 40 girls from the Trinity Episcopal church choir, a Christmas movie by courtesy of Barrett Patton and a Christmas play by children from Bessie Clark's Dancing School.

Guest artists will be Mrs. E. C. Bobadilla, the former Pacita Todtod, radio and motion picture star, who will sing Philippine lullabies and other songs.

Preceding the entertainment the Rev. Mark Eifenbark, pastor of Trinity Episcopal church, will offer the invocation.

Service Planned

The traditional Thanksgiving morning church service will be held in the Methodist Church at 10 o'clock. The community is invited to share in this service of praise and thanksgiving. Dr. Joyce W. Farr, the pastor of the First Methodist Church in San Jose will preach the Thanksgiving Day sermon. Mrs. Lillian Donoho will sing "Thanks Be To God," and Reginald Greenbrook will play the pipe organ for the service.

Campbell Man Seeks Recovery Of His Daughter

Hearing was conducted Wednesday on application of Frederick Kunkel, Campbell, for writ of habeas corpus to recover custody of his 11-year-old daughter from her grandmother. Superior Judge Byrl R. Salsman presided at the session in which the Campbell carpenter charged the grandmother, Mrs. Lillian Lawry, 1215 Park Avenue, San Jose, with refusing to relinquish the child.

Kunkel said he left the child in her custody in 1940 after his divorce from Mrs. Lawry's daughter.

Jess Thompson Succumbs Here

Jess Thompson, 59, husband of Mrs. Harrie E. Thompson, Campbell, died November 8 near here. A native of Iowa, he was a member of Los Gatos Carpenters' Union Local No. 2006.

Services were held Saturday at the Place Funeral Home, Los Gatos. Cremation was private.

Mr. Thompson leaves, besides his widow, his children, Wilma A. and Robert C. Thompson, Campbell; brothers, Charlie and James of Colfax, Iowa, and sister, Dollie Niehouse of Beaman, Iowa.

Cel Gerevas President Of Church Men

Cel Gerevas was elected president of St. Lucy's Men's Club at the group's meeting Tuesday evening in the parish hall. Other new officers are: Joe Fite, vice-president; Dick Gray, secretary-treasurer; Louis Carbone, Martin S. Walsh, Norm Corvello, Joe Homen and Ira H. Grim, directors.

General discussion was conducted on proposals for enlarging the parish hall in the near future.

New Strawberry Varieties Listed In Bulletin

Two new selections, Campbell and Cupertino, which have shown promise in experimental plots, are discussed in the bulletin, "Breeding and Testing Strawberry Varieties," just received at the Agriculture Extension Service, Room 201 Post Office Building, San Jose. Prepared by Richard E. Baker, assistant professor of Pomology, and Victor Voth, senior laboratory technician, University of California at Davis, the bulletin reports on the horticultural value of five other varieties introduced in 1945 —the Shasta, Sierra, Lassen, Tahoe and Donner.

Those interested in obtaining the bulletin may write or phone the office, CYpress 5-9202.

America's first continuous newspaper, the Boston News Letter, began in 1704.

Auxiliary Inducts 7 Members

Seven new members were initiated into the VFW Auxiliary, Unit 9803, Cupertino, at the meeting last night at the Cupertino IOOF hall.

New members are Katherine Saunders, Rose Saunders, Mildred Lloyd, Dorothy Draper, Lavinia Morgan, Omega Allen and Winnie Bennett.

After the regular business meeting, the unit celebrated its first anniversary at a special party. President Bess Cano cut the beautifully decorated birthday cake which VFW Post Commander Charles Baer presented to the auxiliary.

Guests for the evening were Selene Bayard, Alice Renner, Caroline Whist and Mrs. Peabody, all of Major Zane Auxiliary, San Jose.

Dr. John Wilkins Will Preach

The new District Superintendent for the San Jose area of the Methodist Church will preach on Sunday morning at the Campbell Methidist Church. Dr. John R. Wilkins, formerly pastor of the Burlingame Methodist Church, will bring the sermon and then conduct the Quarterly Conference in the afternoon.

At the morning service there will be the rite of baptism and reception of members. The choir will sing the anthem, "My God and I" and a quartet composed of Mrs. Earl Buck, Mrs. Raymond Flagg, David Rutherford and L. J. Osborne will sing, "Come, Peace of God," by Rendle.

After the morning service there will be a Family Fellowship dinner in the social hall.

At 1:30 p.m. the quarterly conference will be held, with reports from each organization of the church.

Woodrow Wilson instituted the first formal and regular White House press conferences.

Cupertino Grange Elects Two To Executive Board

At the last meeting of Cupertino Grange 739, two executive committee members were elected to serve the remainder of the terms of Howard Yarnell and Elmer DeBacker who resigned.

Elected to serve until January 1950 was Ernest Angelo, and to serve until January 1951, was Paul Bean. Visitors from other granges were Master Martin Walsh and Mrs. Mae Walsh of Orchard City Grange, and Mrs. Chester Martin of Alpaugh Grange in Tulare county. Mrs. Martin is the mother of Sister Joy Hazelton, a recent addition to this grange.

Bro. Walsh gave a brief but interesting talk on danger on the highways and said that the 101 highway between San Jose and Gilroy is one of the most dangerous in California. Mr. Walsh also invited the grange to the Orchard City Grange ham dinner on Tuesday, December 13, at the Campbell IOOF hall.

Approximately 50,000,000 letters are received by newspaper editors every year from their readers.

THE FARMER'S CORNER

By RALPH H. TAYLOR
(Executive Secretary, Agricultural Council of California).

With the intensive campaigns that preceded the Special Election of November 8 out of the way there is time now before spring election campaigns start to look again at some of the laws passed by the last Legislature, which laws but recently became effective.

A number of changes made in the Workmen's Compensation Law increases the benefits to injured employees and their families. This, of course, means increased costs and is of particular importance to farmers at a time when their returns are dropping rapidly in many lines.

The right of farmers to reject the provisions of the Workmen's Compensation Law has not been changed; however, thise who last filed such rejections prior to June 20, 1947, were required to file anew by November 1 of this year unless they chose to carry Compensation Insurance.

Earlier newspaper releases have given notice of this fact but have failed to indicate the dangers to the farmer of such rejections. For the benefit of those who may be tempted to exercise their privilege of rejection, here is the other side of the story:

When farmers reject the provisions of the Act, they do not gain the protections which were theirs under common law prior to the passage of the Roseberry Act, the predecessor of the present Workmen's Compensation Law.

It is imperative that farmers should know that the three common-law defenses that were available to the employer before that time are no longer applicable. The farmer may no longer plead contributory negligence, assumption of risk, or the fellow-servant doctrine.

The law works in this wey: If a farmer whose payroll amounts to $500 or more in one year fails to file a rejection and does not carry Workmen's Compensation Insurance, then he may be sued either for damages or for medical and rehabilitation costs on the same basis as if he had carried insurance. That option rests with the injured employee! On top of that, such an employer is subject to penalties for failure to be insured.

Obviously, in all but a few special cases, it is very important that farm people carry compensation insurance. Otherwise they are vulnerabe to damage suits in a near unlimited degree.

In the complexities of modern political and economic life, with so much of primary importance going on in our own country and throughout the world, it is very easy for the individual farmer to overlook changes in our laws that cannot be expected to make the front pages of the newspapers, but which may mean financial ruin to him if he fails to comply with the newly enacted provisions. Farmers should not fail to keep up their Workmen's Compensation Insurance policies; but should they for any reason find themselves unable to do so they should at least see that they have filed notices of rejection with the Industrial Accident Commission in the State Building, San Francisco.
